CAD / CAM (Electrical/Civil/Mechanical/Interior/Architectu Advance **AutoCAD**, includes 3D	**8,500**	**10,625**		1.5 months	None	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Application Interface, Draw ing Tools, Editing Tools, Drw aing Aids, Layer Ma Parametric Draw ing, Isometric Draw ing, Layout Management, Creating Tex Includes AutoCAD 2D and 3D Productivity Tools (PT)
HVAC	**29,500**	**36,875**		2.5 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Basic Components of Air-Conditioning and Refrigeration machines, Classifi Conditioning System, Package Roof Top Units, Central Plant Chill Water Sys of Air Conditioning, Study of Psychrometric Charts, Load Calculation, Air Di System, Hydronic System, Air Conditioning Concepts, Fire Protection (Aw a softw are's
MEP (Mechanical Electrical Plumbing)	**32,500**	**40,625**		2 Months	None	Samyak	Red	Mechanical, electrical, and plumbing services (MEP) are a significant comp construction supply chain. MEP design is critical for design decision- makir documentation, performance, construction planning, cost- estimation, mana operating the resulting facility
Creo Pro-E	**17,500**	**21,875**		1.5 months	None	Samyak	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Extrude, Revolve, Round, Chamfer, Hole, Draft, Shell, Profile Rib, Trajectory Plane, Pattern, Sw eep, Helical Sw eep, Blend, Sw ept Blend, Boundary Bler Extend, Trim,Merge, Offset, Intersect, Project & Thicken, Solidity
Catia Automobile Designing Course	**18,500**	**23,125**		1.5 months	None	Samyak	Yellow	*Practical Training with Advanced Course & Internationally valid Certificat* *Automobile Designing Specialization , Modelling, Assembly, Drafting, Su Work*
Unigraphic NX	**15,500**	**19,375**		1.5 months	None	Samyak	Red	*Practical Training with Advanced Course & Internationally valid Certificat*
Ansys	**35,000**	**43,750**		1 month	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Simulation & Analysis
Solidworks	**15,000**	**18,750**		2 Months	None	Samyak	Red	*Practical Training with Advanced Course & Internationally valid Certificat* *Adding Intelligence to Solid Features, Revolves &Patterns, Complex Cyc Thin Walled Parts,Drafts, Sheel, Ribs and Text Features, Editing & Repa a part. Build & Analyze for fit & Function, Detailing, Create Views, Annota Work*
Fusion 360	**22,500**	**28,125**		2 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Flexible 3D Modelling and design,Interactive Assemblies,Sheet Metal Part Creation,Innovative Generative Design, Integrated CAD and CAM, Loud Col Data Mangement, Photo realistic and documentation, FEA Verification, test
CNC Programming **Only Simulation Not On Machine Or Hardware**	**19,000**	**23,750**		1.5 months	AutoCAD	Samyak NSDC	Yellow	G, M and N Codes, G&M code programming, Punch card Programming, NC, Description, Automatic Tool Changer, Insert-Design feature, Extrude, Revolve, Block, Cylinder, cone, Sphere, As
Civil and Achitecture		**0**						
Primavera (Project Management Tool)	**20,000**	**25,000**		1.5 months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Construction Management - Assigning / Management / Scheduling of Work Workforce/ **Delay Analysis**.
3Ds Max For Interior & Architecture Designing Course (3D Max)	**10,500**	**13,125**		1.5 months	AutoCAD	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. 3Ds Max for Interior and Exterior Desiging, Navigation, Modelling, Editing, M Designing, Texturing, Lights, Camera, Rendering
V-Ray (VeeRay)	**9,500**	**11,875**		1 months	3Ds Max	Samyak	Green	Practical Training w ith Advanced Course & Internationally valid Certificate.
3Ds Max with V-Ray Combo Indian Govt (Skill Development Ministry) Certificate -NSDC	**17,700**	**22,125**		2.5 Months	AutoCAD	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. With V-Ray & Practical Training w ith Advanced Course & Valid Certificate. 3Ds Max for Interior and Exterior Desiging
Diploma Course in Interior Designing & Architecture	**23,500**	**29,375**		3-4 Months	Basic Computer	Samyak NSDC	Green	AutoCAD & 3Ds max With V Ray
Diploma Course in **Interior Designing & Architecture** *International AutoDesk Certificate included* Kit including books & stationary will be provided by Samyak	**45,500**	**56,875**		6 Months	Basic Computer	Samyak NSDC Autodesk	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Sketching, Building Planning, Office Planning (Commercial), Landscapping, Designing Photoshop, AutoCAD Advanced, 3Ds Max + V ray Live Project Work - 2 to 3
MX Road	**22,500**	**28,125**		2.5 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Introduction , CAD environment , Enhanced Menu and GUI changes , Eleme Geomentary Design, Status: Deriving information from display , Surface an models , Design - Quick Alignment , vertical profile , alignment by element m Design
Revit Architecture	**18,500**	**23,125**		1.5 months	None	Samyak	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Estimation, 3D & 2D, Add & Modify Walll Profile, Place Door Window & Com Creating Roof, Dimensions and Contraints, Create Floors and Ceilings, Curt & Railing, Conceptual Models, Annotation & Schedules, Structural Elements Blocks, Merge & Split Surface, Creating Solid & Void, View s, Camera, Wall Deign, Project Work
Enscape Course	**17,500**	**21,875**		2 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Starting w ith Softw are installation , Editing w ith 3D Geometry , Texture and Additional Tools , Plug ins and extension
D5 Render Course	**35,000**	**43,750**		3 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Overview , Interface , Material, Interior Render , Render w ith D5 Render , E , Animation , House of the Silence , Advanced post Production Technique , render,Introduction to Post Production
Etabs	**25,000**	**30,000**		1.5 Months	None	Samyak	Red	Create the Basic Grid System, Draw Mode, Draw ing Tools, Mouse Pointers
Corona Course	**22,500**	**28,125**		2.5 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Engine , Corona Renderer, Corona material, Lightening Specialist , Composi Photographic composition , 3DS Modeling , Exterior , Lightening and Tools , Intelligence , 3Ds Max from Zero
Lumion	**15,500**	**19,375**		1.5 Months		Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Course overview and installation, Basics of Lumion,Material Editor, Terrain Advanced material editing, lightening, Animation Basics, Weather Effect, Sp Scene Optimization, Lumion LiveSync, Advanced rendering technique, Sce Enhancement, Animation and Effect Integration, Rendering and Post Proces
Staad Pro v8i **Structural Designing Course**	**18,500**	**23,125**		1.5 months	None	Samyak	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Structural Design, Beam Design, Slab Design, Steel Design, Foundation De Points, Loads, Combination of Loads, Concrete / Steel / Slab design
MS Project	**25,000**	**31,250**		1 month	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Project 2013
ArtCAM	**25,000**	**31,250**		1.5 months	None	Samyak	Red	*Practical Training with Advanced Course & Internationally valid Certificat*
