Ansys	**35,000**	**43,750**		1 month	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Simulation & Analysis
Solidworks	**15,000**	**18,750**		2 Months	None	Samyak	Red	*Practical Training with Advanced Course & Internationally valid Certificat* *Adding Intelligence to Solid Features, Revolves &Patterns, Complex Cyc Thin Walled Parts,Drafts, Sheel, Rlbs and Text Features, Editing & Repa a part. Build & Analyze for fit & Function, Detailing, Create Views, Annota Work*
Fusion 360	**22,500**	**28,125**		2 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Flexible 3D Modelling and design,Interactive Assemblies,Sheet Metal Part Creation,Innovative Generative Design, Integrated CAD and CAM, Loud Co Data Mangement, Photo realistic and documentation, FEA Verification, test
CNC Programming **Only Simulation Not On Machine Or Hardware**	**19,000**	**23,750**		1.5 months	AutoCAD	Samyak NSDC	Yellow	G, M and N Codes, G&M code programming, Punch card Programming, NC, Description, Automatic Tool Changer, Insert-Design feature, Extrude, Revolve, Block, Cylinder, cone, Sphere, As
Civil and Achitecture		**0**						
Primavera (Project Management Tool)	**20,000**	**25,000**		1.5 months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Construction Management - Assigning / Management / Scheduling of Work Workforce/ **Delay Analysis**.
3Ds Max For Interior & Architecture Designing Course (3D Max)	**10,500**	**13,125**		1.5 months	AutoCAD	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. 3Ds Max for Interior and Exterior Desiging, Navigation, Modelling, Editing, M Designing, Texturing, Lights, Camera, Rendering
V-Ray (VeeRay)	**9,500**	**11,875**		1 months	3Ds Max	Samyak	Green	Practical Training w ith Advanced Course & Internationally valid Certificate.
3Ds Max with V-Ray Combo Indian Govt (Skill Development Ministry) Certificate -NSDC	**17,700**	**22,125**		2.5 Months	AutoCAD	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. With V-Ray & Practical Training w ith Advanced Course & Valid Certificate. 3Ds Max for Interior and Exterior Desiging
Diploma Course in Interior Designing & Architecture	**23,500**	**29,375**		3-4 Months	Basic Computer	Samyak NSDC	Green	AutoCAD & 3Ds max With V Ray
Diploma Course in **Interior Designing & Architecture** *International AutoDesk Certificate included* Kit including books & stationary will be provided by Samyak	**45,500**	**56,875**		6 Months	Basic Computer	Samyak NSDC Autodesk	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Sketching, Building Planning, Office Planning (Commercial), Landscapping, Designing Photoshop, AutoCAD Advanced, 3Ds Max + V ray Live Project Work - 2 to 3
MX Road	**22,500**	**28,125**		2.5 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Introduction , CAD environment , Enhanced Menu and GUI changes , Eleme Geomentary Design, Status: Deriving information from display , Surface an models , Design - Quick Alignment , vertical profile , alignment by element m Design
Revit Architecture	**18,500**	**23,125**		1.5 months	None	Samyak	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Estimation, 3D & 2D, Add & Modify Walll Profile, Place Door Window & Com Creating Roof, Dimensions and Contraints, Create Floors and Ceilings, Curt & Railing, Conceptual Models, Annotation & Schedules, Structural Elements Blocks, Merge & Split Surface, Creating Solid & Void, View s, Camera, Wall Deign, Project Work
Enscape Course	**17,500**	**21,875**		2 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Starting w ith Softw are installation , Editing w ith 3D Geometry , Texture and Additional Tools , Plug ins and extension
D5 Render Course	**35,000**	**43,750**		3 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Overview, Interface , Material, Interior Render , Render w ith D5 Render , E , Animation , House of the Silence , Advanced post Production Technique , render,Introduction to Post Production
Etabs	**25,000**	**30,000**		1.5 Months	None	Samyak	Red	Create the Basic Grid System, Draw Mode, Draw ing Tools, Mouse Pointers
Corona Course	**22,500**	**28,125**		2.5 Months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Engine , Corona Renderer, Corona material, Lightening Specialist , Compos Photographic composition , 3DS Modeling , Exterior , Lightening and Tools , Intelligence , 3Ds Max from Zero
Lumion	**15,500**	**19,375**		1.5 Months		Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Course overview and installation, Basics of Lumion,Material Editor, Terrain Advanced material editing, lightening, Animation Basics, Weather Effect, Sp Scene Optimization, Lumion LiveSync, Advanced rendering technique, Sce Enhancement, Animation and Effect Integration, Rendering and Post Proces
Staad Pro v8i **Structural Designing Course**	**18,500**	**23,125**		1.5 months	None	Samyak	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Structural Design, Beam Design, Slab Design, Steel Design, Foundation De Points, Loads, Combination of Loads, Concrete / Steel / Slab design
MS Project	**25,000**	**31,250**		1 month	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Project 2013
ArtCAM	**25,000**	**31,250**		1.5 months	None	Samyak	Red	*Practical Training with Advanced Course & Internationally valid Certificat*
Civil 3D	**22,000**	**27,500**		1.5 months	None	Samyak	Yellow	*Practical Training with Advanced Course & Internationally valid Certificat*
MxRoad	**25,000**	**31,250**		1.5 months	None	Samyak	Red	*Practical Training with Advanced Course & Internationally valid Certificat*
Google Sketchup	**10,500**	**13,125**		1 month	None	Samyak NSDC	Yellow	*Practical Training with Advanced Course & Internationally valid Certificat* *Creating 2D to 3D with Push-Pull tool, Create complex extrusions and lat Follow Me tool, Offset, Move, Rotate, Scale the object,3D text, Changes Sandbox tools, From contours, From scratch, Make group, Make compor window and Zoom extents*
Google Sketchup VRAY / VeeRay	**17,700**	**22,125**		1 month	Google Sketchup	Samyak NSDC	Yellow	
Jewellery Designing		**0**						
Rhino 3D / Computerized Jewellery Designig Course	**38,000**	**47,500**		2.5 Months	None	Samyak NSDC	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. 2D Draw ings & Modifications,Concept of Solid & Surface Objects, Geomet Material & Texturing, Lightening & Rendering Projects
Computerized Jewellery Designing Certificate Course(3D Rhino 3d)	**45,000**	**56,250**		4-6 months	None	Samyak NSDC	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Photoshop, CorelDRAW and Rhino 3D
Matrix 3D CAD Jewellery Design	**45,000**	**56,250**		2 months	Rhino 3D	Samyak NSDC	Red	Introduction and basics, Fundamental Modelling Technique, Design simple , Detailed Gem Setting , Technical Consideration , Bracelet , Earring , Rende presentation , Future of 3d cad in jew ellery design , w ith Project w ork
Kids Program		**0**						
Robotics For Kids (For Age : 5 + Years) *** Kits are available for practical, but will not be given for home** *Microsoft Certificate (Microsoft Technology Associate, MTA (Temporarily Not Available)) Included*	**9,000**	**11,250**		25 Hours	None	Samyak	Yellow	Hands on Practical Training w ith programming and fully practical training o (Learnings are: Programming Paradigms, Decision Control Structure, Funct Sensors, Motion and Types of Motion, Momentum and Its conversion, Usag Systems, Different kinds of Robotics Mechanisms, Center of Gravity and It Speed, Distance and Time) ***https://www.samyakinfotech.com/services-by-samyak/samyak-digi camp-jaipur/robotics-training-class-for-kids/***
