- Oracle Admin II	20,000	25,000		1 mth	Admin I	Samyak	Red	Database Corruption,Memory,Recovery Manager,Storage management,Sch on
Electrical & Electronics Engineering		0						
Electrical CAD (AutoCAD)	12,500	15,625		1.5 Months	None	Samyak NSDC	Yellow	AutoCAD Electrical Interface
Embedded Systems	17,700	22,125		1.5 months	None	Samyak NSDC	Red	Create smart devices capable of taking decisons, Microcontrollers, AVR & interfcing, CP Mode Programming, GPS & GSM
Advanced Robotics for Seniors / Engineers	17,700	22,125		1.5 months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Robotic Design and Weight measurements. Projects like Chasis Design, Ro Line Follow er Robots, Sensors, Wire & Wireless Controlling, Single layer P
Arduino (UNO & Mega)	17,700	22,125		1.5 Months	None	Samyak	Red	Periphiral interfacing w ith Ariduno, Analog & Digital Sensor Interfacing, Adv Programming, Hardw are Interfacing, Single Layer PCB Design
Rasberry Pi With Python Basics	17,700	22,125		1.5 Months	None	Samyak	Red	Python Basics, Integration of rasberry w ith Python Programming, Periphera Sensor Interfacing, Output device interfacing LCD / LED, CCD Mode Interfa Counter Programming, Advanced Protocol Programming, Basic PCB Design Project : Alcohol Detection System, Home Automation
PCB Designing	17,700	22,125		1.5 months	None	Samyak	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. PCB Design Single Layer, Double Layer and Multi Layer. Wet & Dry etching Machine Design
Solar Energy	17,700	22,125		1.5 Months	None	Samyak NSDC	Yellow	Solar Process
Solar + PVSyst + SketchUP + AutoCAD (Diploma Course)	47,200	59,000		4 Months	None	Samyak NSDC	Yellow	1. Pvsyst (Solar Energy Analysis) 2. 2D Auto cad (2D site Designing) 3. Electrical Auto cad (SLD and other electrical system analysis) 4. Sketchup (3D Modeling and Shadow analysis)
Robotics & Embedded Systems	29,500	36,875		3 Months	None	Samyak	Red	Both Embedded Systems & Robotics
PLC/SCADA Beginner Course- 30 Days Only Simulation Not Machine Or Hardware	12,500	15,625		1 month	None	Samyak	Yellow	*Practical Training with Advanced Course & Valid Certificate.* Any 1 PLC (Allen Bradelly or Siemens) & 1 SCADA (Wonderw are, WinCC
PLC SCADA Certificate Course - 45 Days Only Simulation Not On Machine Or Hardware	17,500	21,875		1.5 Months	None	Samyak	Yellow	PLC (Allen Bradely & Siemens) , SCADA (Wonderw are InTouch & RS View Hardw are Testing, PLC Testing, Sensor Designing. Basic PCB Designing Project : Traffic Light System, Car parking System
PLC/SCADA(Job Oriented) Diploma Course Industrial Automation Engineer Only Simulation Not On Machine Or Hardware	55,000	68,750		4 -6 Months	None	Samyak	Yellow	*Practical Training with Advanced Course & Valid Internationally* 3 SCADAs (InTouch, RS View, Wincc) , Any 4 PLCs as per availability (Alle Analog, Allen Bradely Digital, Siemens / Delta, Omron/ Schneider) Note: AIs (Distributed Control System), Industrial Prototype Design Project : Traffic Light System, Car parking System
VLSI VHDL	25,000	31,250		1.5 months	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Xilink Introduction, Intel Quartus Programming, VHDL Programming, VLSI Fa BJT & MOSFET
MATLAB Simulink	22,000	27,500		1 month	None	Samyak	Red	*Practical Training with Advanced Course & Valid Certificate.* MATLAB interfacing, mathematical app in MATLAB, Graphs and plots, cont and simulations, simulated projects, Stagnography, Blur D-Blur, Image & Vid Processing.GUI Design, Color detection using reading pixels
Data Science & AI		0						
AI - Artificial Intelligency	17,700	22,125		1.5 Months	Python Basics	Samyak NSDC	Green	Neural Netw orks, NLP, Deep Learning, Machine Learning integration, Buildi Agent (Search, Games, Logic, Constraint Satisfaction Problems), Graphic Mining, Sentimental Analysis using AI, NAVE BAYES theorem based proble
Machine Learning (ML)	17,700	22,125		1.5 Months	Python Basics	Samyak NSDC	Green	Virtualization, Data Classifications, Algorithm Implementaions, Physical and retreiving, Fuzzy Logic using ML, Offline and Online Data Retrival, Classific KNN, GINI, SVM , Neural Netw orks, Clustering, Minning of data using LSI **Project** : User Identification according to keys press at keyboard.
Machine Learning Diploma Course AI (Artificial Intelligency) with Machine Learning & Python Basics (Data Science Diploma) Indian Govt (Skill Development Ministry) Certificate -NSDC	32000/ Last 29500/	50,000		3-4 Months	None	Samyak NSDC	Green	Python Basics, Machine Learning (ML) as above and AI (Artifcial Intelligenc **Projects** : Human recogntion through Iris detection
IoT - Internet Of Things with Python	17,700	22,125		1.5 Months	None	Samyak	Yellow	IOT on American Standanrd, IOT w ith Routers, IOT Lua Programming, IOT w Interfacing, IOT w ith Web Interactivity, IOT w ith virtualization. **Project** : IOT Based Accident Detection System, IOT based padestrial cros
Python Indian Govt (Skill Development Ministry) Certificate -NSDC	7500/ Lowest 7000/	9,500		1.5 mths	None	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Syntax, Strings & Console Output, Conditionals and Control Flow, Funtions Functins and Directories, Exceptions, Loops, Advanced Topics, Classes, V Project Work
Advanced Python - Django Framework	17,500	21,875		2 Months	Basic Python	Samyak	Green	
R Programming Language	23,600	29,500		1.5 Months	C Programming	Samyak	Yellow	GUI Design, Syntax, Project Work
BigData & Hadoop Admin	20,500	25,625		2 mths	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Hadoop Administration Introduction Of Hadoop,HDFS,Getting Data into HDFS,Yarn & Map Reduce, Hadoop Cluster,Hadoop Installation & Initial Configuration,Installing & Config Hive,Impala, Hive ,Hadoop Clients,Cloudera Manager,Advanced Cluster Configuration,Hadoop Secuirity,Managing & Scheduling Jobs, Cluster Manit Monitoring & Troubleshooting
Big Data & Hadoop Development	26,500	33,125		2 mths	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Hadoop Development, Hadoop 1.x & 2.x Cluster setup, HDFS Concepts, mapreduce, YARN, HIVE, Apache (Flume, Zookeeper, Oozie, Hbase, Spark, Storm, Kafka)
Programming Language		0						
C Programming	3,500	4,375		1.5 mths	Basic Computer	Samyak	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Loops, Conditions, Statements, Pointers, File Handling, Link List, Queue
C++ Programming	3,000	3,750		1 mth	Basic C Programming	Samyak	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. OOPS, Essentials such as Programming techniques, decision making state iterations, functions, macros & 1D array.
C/C++ Combo (One Time Payment)	5,700	7,125		2.5 mth	None	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. C and C++
DSA using C (Data Structure & Algorithm)	11,500	14,375		1.5 mths	C Programming	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. coverage of data structures like lists, stack, queue, trees. Graphs, Hash T implementation. Application of these data structures is also covered.
Core Java (J2SE)	5,900	7,375		1.5 mths	Basic C Programming	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. coverage of Core Java Programming language features like Object-oriente Inheritance, Interfaces, Exception Handling, Reflection, Standard I/O progra
