						NSDC		implementation. Application of these data structures is also covered.
Core Java (J2SE)	**5,900**	**7,375**		1.5 mths	Basic C Programming	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. coverage of Core Java Programming language features like Object-oriente Inheritance, Interfaces, Exception Handling, Reflection, Standard I/O progra Handling, Generics, GUI programming w ith Sw ing, Applets, MultiThreading, Programming, JDBC.
Advanced Java (J2EE)	**10,700**	**13,375**		1.5 mths	Core Java	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Struts Framew ork, Web Application Component development w ith Servlets
Comprehensive Java (Core + Advanced Java)	**15,000**	**18,750**		3 Months	Basic C Programming	Samyak NSDC	Green	Both Core Java and Advanced Java w ith a Project
Kotlin	**9,500**	**11,875**		1 Month	Basic C Programming	Samyak NSDC	Yellow	Basic Syntax,Idioms,Coding Conventions,Basic Types,Packages, Control F Jumps,Classes & Objects,Functions & Lambdas,Destructuring Declaration Collections,Ranges,This Expressions, Equality,Operator Overloading,Null Safety,Exceptions,Annotations,Reflection,Type Safe Builders,Dynamic Typ Interop,Reference
Complete ANdroid With Kotlin Combo	**22,500**	**28,125**		3.5 Months	None	Samyak NSDC	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. Complete Android w ith Practical & Kotlin
Project Oriented Android Course Practical based, Live Project in the end	**13,500**	**16,875**		2 mths	Core Java	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. coverage of basic mobile computing paradigm and also covers the basic a application building process w ith associated key points like, activities, inter SMS, location based services w ith GPS, w orking w ith Gyroscopes, Progra mediaplayer etc. Project Work
Complete Android with Java Combo	**17,700**	**22,125**		3-4 Mths	None	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Complete Android w ith Practical & Core Java
Dart	**9,500**	**11,875**		1 Month		Samyak NSDC	Yellow	
Flutter	**13,000**	**16,250**		1.5 Months	Dart	Samyak NSDC	Yellow	
Apple Certified iPhone / iOS / Mobile With Objective C or SWIFT **Students must carry his own Apple Device for Practicals etc.** Apple Certification Included	**50,000**	**62,500**		1.5 months	None	Samyak NSDC Apple	Red	Practical Training w ith Advanced Course & Internationally valid Certificate. Introduction to Latest Version Of MAC OS-X , X-Code-SDKlatest, Objective Architecture, Controls Programming, Media, Interaction to other Application Writing Application Data, Coredata (Real Industrial Experiece & Working on
React Native App Develoment	**17,700**	**22,125**		1.5 mths	HTML Java Script	Samyak	Red	Installing Expo & Reactnative toolset, Components & APIs, Layout w ith Flex Debugging & Tools, Navigation & Routing, Netw orking & Managing Data, Pe Testing, Deployment
IONIC App Develoment / Hybrid App Development	**21,000**	**26,250**		1.5 mths	Java Script	Samyak	Red	Hybrid Framew orks (Webtech, Web APIs, Backend), IONIC 1 & 2, Angular Application Logic, Navigation Stack, Coredova CLI, Adding Camera plugin, Upload, Geolocation, Configuting XML Icon Artw ork Project Work
C# Programming (C Sharp) .Net	**9,000**	**11,250**		1.5 mths	Basic C Programming	Samyak NSDC	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. C# programming language features like Object-oriented Programming, Inhe Interfaces, Exception Handling, Reflection, Standard I/O programming, File Generics, Window s Application using Winforms, File I/O, XML in .NET, ADO Services and Deployment. It also gives an overview of .NET framew ork 3. WPF, WCF and WF.
ASP .Net / VB .Net Advanced	**10,700**	**13,375**		2 Months	Basic C Programming	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. C Sharp Basics, Database connectivity, Web Application (ASP), Inheritanc Exception Handling, Reflection, Standard I/O programming, File Handling, G WCF, MVC, Link Queue
.Net MVC	**17,700**	**22,125**		1 Month	Basic C Programming	Samyak NSDC	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. .Net Framew ork, Web Technologies, Web Sites & Page Framew orks, Serv State management & Caching, User Controls, Custom Controls, Pages & Th Access, LINQ, Secutiry, Personalization, Globalization, Navigation, Web Ad Web Services, AJAX, Deployment
SharePoint	**25,000**	**31,250**		1 month	C#.Net	Samyak	Red	.NET developers w ith practical information and labs that enables them to b the Microsoft SharePoint 2007 platform.
OCJP (Oracle Certification) Preparation Java Certification Exam Preparation	**12,000**	**15,000**		1.5 mths	Core Java	Samyak	Green	prepares you for OCJP exam by covering the essential examination object
DCS Diploma in Computer Science Software Development Diploma Course (Programming & S/W Development)	**33,500**	**41,875**	**Ise ADCS bhi bolte hain course Software Development ka course hai**	6-8 Months	None	Samyak NSDC	Green	Practical Training w ith Advanced Course & Internationally valid Certificate. Softw are Diploma Course having complete coverage of Basic Computers, C/C++, HTML/CSS, PHP, Database and a Live Project
Unity - Game Development Course **--With C Sharp 35000/ Rs**	**33,000**	**41,250**		2 Months	C Sharp .Net	Samyak NSDC	Red	
Software Testing		**0**						
Job Oriented ISTQB Software Testing Certificate Course **ISTQB Certificate Cost 10000-15000 (Extra Amount)**	**40,500**	**50,625**		2-3 Months	None	Samyak NSDC ISTQB	Yellow	Trainer is 15 Years industry expert and HP / ISTQB Certified. *1. Manual Testing Concepts with Practical Knowledge* *2. Automation Testing Concepts* *3. Defect Management tool - Bugzilla* *4. Test Case Management tool - Test Link* *5. Interview Skills* *6. Programming Concepts including **Introduction of** C/C++, Core Java,* *7. Responsive Web Designing : HTML,CSS , Javascript & Bootstrap* *8. ISTQB Certificate Guranteed*
Manual(Software) Testing Course	**15,500**	**19,375**		1.5 Months	None	Samyak NSDC	Yellow	Practical Training w ith Advanced Course & Internationally valid Certificate. 1. Manual Testing Concepts w ith Practical Know ledge 2. Automation Testing Concepts 4. Bugzilla 5. Test Link 6. Interview Skills 7. C Language ISTQB Certificate at extra cost of Rs 22,000/- (Only for Students opting for
Selenium in Depth - Professional Advanced Course Includes Java	**32,500**	**40,625**		4-6 weekends	Basic Testing knowledge	~~Samyak~~	~~Red~~	~~Practical Training w ith Advanced Course & Internationally valid Certificate.~~ ~~Core java Brush Up , basic of IDE & RC, w eb driver 2.0 major, testng/junit, framew ork. http://w w w.w ay2automation.com/selenium/tutorial/rc-w ebdriv coursecontent.html~~
~~**jMeter - Performance Testing**~~	~~**29,500**~~	~~**36,875**~~		~~4-5 weekends~~	~~Basic Testing knowledge~~	~~None~~	~~Red~~	~~Practical Training w ith Advanced Course & Internationally valid Certificate.~~
QTP in Depth - Professional Advanced Course	**25,000**	**31,250**		4-5 weekends	None	Samyak	Red	Practical Training w ith Advanced Course & Internationally valid Certificate.
